

# NEWS LETTER

June 2021

Welcome to the last half of our Summer term, and the end of yet another academic year, where we will be saying goodbye to 21 Little Explorers who will be moving into their Primary School's in September, so we will be busy supporting their transition by developing their independence skills further and talking about what it might be like in school. We will be sending packs home with all children leaving us with information and activities for them to do at home, and request that they are returned to us each week so we can add more home activities.

Our much-awaited classroom is now fully in use and is truly wonderful, providing a much calmer and nurturing environment for our younger children, and allowing our older children more space to learn and develop. There are just a few finishing touches to be completed before we hold an official opening to share with the whole community our wonderful provision and to thank everyone for their continued support with fund raising which has made this possible.

We recently held our Annual General Meeting, and we are delighted to welcome some new members.  
Chair person: Stephanie Allen      Treasurer: Julie Pinches      Secretary: Megan Heighway  
Committee members: Catrin Sanderson, Elly Beech and Cheryl Everton.

We will be arranging a Graduation celebration for our leavers in July, more details will follow.

Thank you to all the children that have returned their Nature Garden ideas, we are looking forward to making a start really soon.

**Don't forget School dinners are available however they need to be booked in advance and paid for each day/weekly/half termly.**

**Please remember to send in Sun hats during this warmer weather, and put names on, Coats, Lunch boxes, water bottles, backpacks, sunhats etc.**

## Term Dates – 2020

Half term Week – Tuesday 1<sup>st</sup> June – 4<sup>th</sup> June  
Break up for Summer Friday 16<sup>th</sup> July
